MRR
Foods

Pure and Natural

Spices that keep
 flavours **authentic**, taste **ethnic**
 and cooking **simplistic**.

Easy Delicious recipes
 for making the food

MRR Masala are prepared by blending a number of pure spices to get better taste like Chilli, Turmeric, Coriander, Pepper, Cardamum, Cumin, Clove etc., In precise proportions to give blend (Called A "Masala") that imparts a distinct Colour, Aroma and Taste to s Dish.

MRR Spices known for their Colouring, Thickening, Souring ABD Pungency Propertied are often added to Achiever Masala Blends that are specific to specific tastes of communities from various Regions and Ethnic groups. Further, many Herbs, Pulses and Fresh Spices are also added to masala.

MRR Masala strongly believe in using ingredients that are Natural, Pure, Wholesome Natural, Simple, Convenience are three guiding principles in creating the products at our Factory. Ingredients that are Natural, Pure and Wholesome are Cleaned Hygienically ground blended to give right aroma and taste. It reminds you the Spice Blends created in the Good Old Home Tradition

MRR Masala offers authentic recipes that are easy to cook and Love To Eat. They provide variety and excitement to every Day Cooking.

All our MRR Masala Products meet Food Safety and Quality Assurance and Standards.
